EXECUTIVE SUMMARY

Trumbull Neighborhood Partnership (TNP), on behalf of the Trumbull County Land Reutilization Corporation (TCLRC), is seeking proposals for renovation and end use of its property at 283 Elm Rd. in Warren from investors who will bring the vision, experience and resources necessary to execute a viable development plan. With a population of over 200,000 residents, major free-way access, proximity to Canton, Akron, Cleveland, Youngstown, and Pittsburg, Trumbull County is a feasible market for mixed-use redevelopment projects for under-served market segments. The purpose of this opportunity is to solicit proposals from qualified developers that are interested in developing the site of interest. Investors are invited to submit a development proposal including a description of the proposed end-use, rehab specs, and qualifications.

INCENTIVES, DISTRICTS & ZONES

Trumbull County's Enterprise Zone Program offers tax incentives on new real property investment when made in conjunction with a project that includes job creation. This program does not include retail or residential. Typically, EZ Agreements are for up to 75% abatement (on the improved value) over 10 years. For a renovation of an existing facility to qualify under this program, there must be an investment that is up to 50% of the current value. Typically, a minimum of five full-time jobs within three years is required.
